Bravery Curiosity Resilience Community Respect

Last week was another busy week. It started with a visit from the RSPCA to speak to all the children in assembly about their rescue centre in Brighton. Please see further below for more information from this. The children really enjoyed this. Some of our Year 3 children went to Haywards Heath College on Thursday for a basketball event with Mr Terrill. They were amazing ambassadors and had a fantastic time. They received certificates in assembly on Friday.

On Friday many of our Year 5, and some of our Year 6, went to the O2 in London for Young Voices. What a magical time we had - it was truly amazing. We were right at the back of the O2, so high up and our children were very brave coping with the heights (as were the staff)! They were impeccably behaved and sang beautifully. We really had such a special time, especially when the show began and the lights went out. A huge thank you to all the staff who helped either on the day, planning the trip or helping teach the children the songs. We cannot wait for next year now!

This week, EYFS have got the fire service coming in to visit. We also have our termly visit from our West Sussex Advisor on Wednesday morning. Some of our Year 5 children are off to Marten House on Friday afternoon to talk to the local residents.

Parking:

We are finding more parents and carers are parking outside the front of the school. Sometimes this is double parking over the disabled bay or the staff bays and sometimes this is over the corners by Woodlands Meed. School staff will come and ask that you move if you park in these places and we do ask that you park safely and with respect.

OPAL and collections:

On Monday we had our grounds day with Kurti from OPAL and we looked at how we develop our school grounds even further. We are so EXCITED!!!!!! We have put the map up in the front entrance and we will be doing this in phases. One of the first things we want to get going with is building a messy/mud kitchen. We could really do with some support with this, so if you know someone that would be able to help us build this, please let us know. There will be various projects that will require help, so if you are interested in offering some support, again please let the office know.

We are still looking for as many loose parts items as possible. We need pots, pans, utensils, sieves, colanders and metal and plastic containers for our messy/mud kitchen. We need tarpaulin, pegs, wind breaks, bungees and old sheets for den building. We need buggies, crutches, wheelchairs, wheeled items for our role play alongside hats and bags and old coats (adult size). And then any small world items you may have such as dolls houses, train sets, garages, cars, play mobil, dolls, lego, mobilo etc. If you are thinking of revamping your garden furniture, we would be happy to take any benches, picnic benches, chairs and tables. Before throwing out, check with us as to whether we could use it or not.

Facebook:

Please remember to check out our Facebook page for what is going on in school.
