BRAVERY, COMMUNITY, CURIOSITY, RESILIENCE, RESPECT

Dear Parents/Carers,

Three particular things have made me very proud recently. On Friday 23rd June, a group of Year 5 pupils attended a Mid Sussex Science Week event at the Kings Church in Burgess Hill. There were lots of schools in attendance showing the results of the projects they completed with the help of a Science ambassador. One of the Scientists at the event told me that our pupils were the most polite, respectful and engaged. Well done Year 5 for upholding our school values.

The second instance occurred yesterday when our Year 6 pupils and staff visited Tea Thyme in Hassocks for a pizza lunch. When we arrived back at school, Emma from Tea Thyme, had emailed the school office to say “the children are all so well behaved and all our customers have said some very complimentary things. And most of all everyone seems to be happily tucking in!” Here are a few of our pupils' comments. Josh said “Great service”, Ollie stated “The crusts were perfect”, Evie said “The staff were very welcoming”, Annabelle commented “Good Pizza with amazing crusts” and Mason said “The cheese was very stringy.” Thank you to Tea Thyme for hosting the event for the third year running and the LMA for contributing to the cost.

The third thing that has pleased me is the publication of an article called “The Power of Music” in [The Primary Music Magazine](#) by our very own Claire Stacey. Music in our school has had a raised profile since she became our Music Subject Leader in September 2022 and the children are enjoying singing assemblies and learning to play musical instruments. Thank you Mrs Stacey!

I would like to politely remind you all that children should only have water in the water bottles that they use in their classrooms. Squash is not allowed unless there is a specific medical or dietary requirement that has been confirmed by a medical professional. It is really important that the children stay hydrated throughout the day and they are all given plenty of opportunities and encouragement to drink water and refill their bottles where necessary. We appreciate that some children would prefer to drink squash but this is a preference and water has many health benefits. Thank you for your cooperation.

Have a lovely weekend.

Natalie Langtree, Head teacher

Sports Day - 14th July

Just a quick reminder that Sports Day is on Friday 14th July from 1.15-3pm. An order of the afternoon and map will be sent to you prior to the event. A decision will be made whether to cancel the event, if necessary, on Thursday 13th July and you will be informed by email.

The KS2 playground gates will open for Parents/Carers just after 1pm for them to enter the field. Parents/carers are welcome to bring a picnic rug or chair to sit on. **We ask that there is no parking within the school grounds and that you park considerably in the roads surrounding the school. All children will be taken back to their classes to be dismissed at the end of the day.**

Please could children in the Reception classes wear their normal PE kit.

Please could children in Years 1-6 wear their PE kit with a t-shirt in their house colours:

Bramber- **Green** Lewes- **Blue** Hastings- **Yellow** Arundel - **Red**

Second Hand uniform

Do you have any second hand school uniform that your child has grown out of? Any donations can be left outside the main school office in between the double doors. The School Office will run a second hand school uniform shop, on Monday 17th July, in the area outside the school office from 2.45-3.30pm. Items will be between 50p and a couple of pounds, so please ensure that you bring plenty of change as we do not hold a lot of cash on site.

Year 4 Bread making

Year 4 have made some delicious bread this week, learning food hygiene, and kneading and folding skills. They loved tasting and evaluating. We have some potential fabulous bakers!

Year 4 Residential Trip to Adur

Year 4 had a fabulous overnight trip on the 29th and 30th of June. They challenged themselves and showed resilience when trying new things, and displayed excellent community spirit in supporting each other. They enjoyed the barbecue and campfire singing and games.

Here are some pupil comments: 'My favourite activity was kayaking - it was really fun.' Caragh,

'I liked splashing the other teams on the kayak with water -especially Miss Oliver!' Aaron

'I loved mountain biking through the woods.' Seth

'Bushcraft was really fun. We got to make our own shelters.' Kitty

'We loved singing around the campfire- especially the worm song!'

Reid- 'I enjoyed eating the burgers - I had two!'

'I enjoyed having fun with my friends in the tents.' Harvey

EYFS Trip to Drusillas

The children in EYFS enjoyed a trip to Drusillas on Tuesday. They saw, and learnt about, a whole host of interesting animals, and took part in a workshop on the Maasai people. The children also got a ride on the train and enjoyed playing in the playground. All of the children were very well behaved, showing our school values of Curiosity and Respect. A big thank you to all of the parents and carers who came to help.
