

Risk assessment for Remote Education Support January 2021

Persons at risk: All pupils

Hazard	Control measures	Person/s responsible	Comments (including whether control measures are not in place)
In the event of a local outbreak, PHE or WSCC may ask school to close temporarily.	School will be open for pupils of critical workers and those identified as vulnerable.	NL, JV, JT	These pupils have already been identified
Children who are not in school will receive remote learning	These pupils will be taught remotely.	NL, JV, JT	Staff are split into two teams – one onsite delivering face to face teaching and one at home delivering the same content remotely
Children who are not engaging with remote learning	Class teachers will notify SLT of any pupils who are not engaging with remote learning. JV will call those families the following week to offer support	JV	Staff will pass list of children who have not engaged with remote learning to JV each Friday.

See Remote Learning policy for further details
