

LONDON MEED PRIMARY SCHOOL - Newsletter 16th September 2022

BRAVERY, COMMUNITY, CURIOSITY, RESILIENCE, RESPECT

Dear Parents/Carers,

We have had a lovely week in school. Our children are looking so smart in their uniform. We have had an overwhelming uptake for school clubs and are looking forward to these starting next Tuesday. If your child did not get a place this time please be assured that they are on a waiting list.

Behaviour around the school continues to be good with children upholding school values and following our golden rules. Year 6 have impressed us so much with their maturity and willingness to take on new responsibilities such as operating the projector in the hall, ringing the bell at the end of break and lunchtimes. Mr Blake was particularly pleased with the children who assisted him to put up new classroom display boards this morning.

In response to requests from pupils we have begun a "Super Staff" award. This involves children nominating a staff member for the award which is announced in Friday assembly. Congratulations to Ms Fleming and Miss Parker for being our first winners!

Our new Apples and Cherries are settling in well and have had opportunities to tour the school and meet our school community. From next Tuesday they will be staying all day.

We have begun to collate drawings, poems and memories by children about Queen Elizabeth to put in II a book of remembrance which will be displayed in the library. School will be closed on Monday 19th September as this is a Bank Holiday to mark our late Queen's funeral.

Have a lovely weekend, everyone.

Mrs Langtree
Head teacher

National Online Safety

The online world is posing an ever-increasing risk to children, and it is important that schools, parents and carers work together to take an active role in teaching children about online dangers. Learning how to act safely when using the internet is an incredibly important part of safeguarding our children. We have recently seen an increase in inappropriate online use by children in our school.

We are therefore delighted to announce that at London Meed we have shown our commitment to protecting our pupils online by working with National Online Safety - providing a wealth of resources for all parents and carers. As per the email sent yesterday there is an expectation that all parents and carers sign up to National Online Safety, as we will be using it to share information and resources throughout the year. We will be contacting families who have not signed up by 30th September. Please contact the school office if you need any support with signing up.

To create your account, please follow <https://nationalonlinesafety.com/enrol/london-meed-community-primary-school> and complete your details. When you're set up, you'll be able to set 'Parent/Carer' as your user type.

You can access National Online Safety online via any device- including via the brand-new smartphone app. To download the app, please go to:

Parking

You **must not** park in the London Meed staff parking bays or across them. Our Learning Support Assistants start work at 8:30am and have been unable to find spaces as they have been taken up by parents and carers. All parents and carers are able to park free of charge from 8:30 in the Queen's Road car park. Please show consideration to our staff so that they are here to do their jobs on time. We will be checking cars to ensure they have a staff parking permit and asking parents to move on.

NEW - London Meed celebrates reading

Summer Reading Challenge winners were announced in assembly today - well done to children in 3C who had the most participants.

2M have been reading a selection of books by our class author 'Emily Gravett'. Emily is well renowned for creating funny and exceptional books for children. She has won two CILIP Kate Greenaway Medals for her brilliant books.

Here is a selection of our favourite titles so far:

We particularly loved reading 'Again'!

Cedric the dragon is ready for bed, but before he can go to sleep, he needs his mum to reread his favourite story! Sound familiar? This book reminded us of how we love to hear the same story again and again and the bright, bold illustrations of mischievous Cedric – a little dragon who'll do anything to delay bedtime were spectacular. The whole class thought this book was really funny and there was a surprise waiting for us at the end which was brilliant!

Book Recommendations

Please take a look at the book recommendations list for each year group on our website via the following link [Book recommendation lists](#)

Coming to a classroom near you: Reading Buddies!

Reading buddies are returning to London Meed! This is a wonderful opportunity for the older members of our school community to work with and get to know the younger members, whilst supporting each other to develop their reading skills. An incredibly popular part of our reading opportunities at London Meed!
