

Dear Parents and Carers,

This week saw the return of National Curriculum tests (SATS) for Year 6 pupils up and down the country. I have been so impressed with the children's bravery and resilience. The atmosphere around school has been calm and each child gave their best effort. Our community value has been evident with parents ensuring children were in school early and our wider staff team helped prepare breakfast for them. The Year 6 team have worked tirelessly to ensure the children were as prepared as possible.

William C, from 6D treated us all to some very impressive electric guitar playing during the musical inspiration part of our Celebration assembly. He really inspired staff and pupils alike. Thank you to Mr Cutting for being his roadie.

This week has been Mental Health Awareness week. I spoke to the children about how to recognise early warning signs that would indicate something is not quite right and reminded them about the importance of knowing who is on their Safety Network. This should include three trusted adults at school and two at home. Do talk to your children about who they would talk to if they had a problem.

I would just like to remind everybody that we take our Safeguarding responsibilities very seriously. It is essential that all visitors report to the School Office and sign in before entering the building. If you wish to speak with a member of staff please email, phone or visit the School Office to arrange an appointment.

You should receive an invitation from your child inviting you to the Jubilee Celebration Picnic on Thursday 26th May. Further details will follow next week.

The forecast is looking lovely for the weekend. Do enjoy the sunshine.

Trunk Theatre visit to Year 2

Below is a letter from Elsie, a Year 2 to the Trunk Theatre following their visit on Wednesday 11th May.

To The Trunk Theatre,

Thank you for performing at London Meed, we really enjoyed it and it made us laugh. We hope we can see you again one day. We loved it when we coloured in London and when we saw the suitcases all come out of the big case. We also loved the sounds and dressing up and when we did the dance to King Charles III. The water pistols were funny especially when Freya squirted you. I hope you enjoyed performing the play to us and thank you again we really appreciated it. I thought Samuel Pepys was really good with the feather and diary. It made us feel like we were in the play and we learnt lots of facts and we talked about it at play time and talked about how you did the play. I gave you 10 out of 10! from Elsie, Year 2

Book Review by Ruby, 6B

Astrid has always done everything with her best friend Nicole. When Astrid finds a passion for roller derby she is certain Nicole will love it too. This all stops when they go their separate ways and Nicole signs up for ballet camp instead with Astrid's worst enemy. Astrid has the worst summer of her life as she needs to somehow stay on her skates, live her life without Nicole, stay friends with her new roller skating buddy and to be a strong tough awesome roller girl. The roller derby is one of her greatest passion yet greatest fear. She needs to overcome her fear and be like her roller skating idol: rainbowbite. I recommend this book to 10+.

"I stared up at the solar system mum painted on the ceiling when I was little. I used to do this weird thing were I imagined Venus was myself, mum was mercury and Nicole was Earth. Now I was more like a golf ball whacked into space. Just floating by myself forever."

LMA School Lottery

Attached is information about our new London Meed Community Primary School lottery. This lottery has been set up specifically to raise money and make a difference for our children!

It's a fantastic way to bring Parents, Carers, Teachers and the wider community together, in partnership with our school, and at the same time give something back. We hope to raise funds that can support and enrich the education of our children - we aim to provide extra resources for the children, improve the school environment as well as run extracurricular activities such as music, art and sport.

Your support is greatly appreciated and we wish you good luck!

Yours sincerely, *The London Meed Association*
